ALUMINIUM FOILS

CATERING FOIL

Capri foil dispenser boxes are fitted with a plastic cutting strip to limit the chances of personal injury. Capri foil is manufactured with the sole purpose of the consumer in mind, with the latest technology in re-reeling and packed into a sturdy dispenser carton for longer lasting use around kitchen areas. The dispenser boxes are easily identified between types with distinguishable colours which are also prominently displayed on the ends of the dispenser.

ALL PURPOSE

For general purpose use in the catering industry, kitchens, take away applications, low acidity.

HEAVY DUTY

Heavy duty foil is a medium grade catering foil and will handle most applications including hairdressing and medium acidity applications.

EXTRA HEAVY DUTY

Suitable when no other product is capable, Capri extra heavy duty foil is the thickest and strongest grade for high acidity applications.
